WHEREAS the MERN is prepared to grant a licence to the Licensee, authorizing it to make internal use of the Data in accordance with the terms and conditions set out below.

THEREFORE, the MERN and the Licensee agree as follows:

1. For the purposes of this licence, the following expressions and terms have the meanings shown:

The licence so granted is an end-user licence. It grants the Licensee the right to reproduce, adapt and communicate the Data to the public, by means of telecommunication on its intranet or extranet site, during the normal course of its business and in its professional business premises only.

A Licensee for which use of the Data takes place during the normal course of its business offers a consultation service to its clients at its business premises.

The Licensee may alter all or some of the Data by using them in combination with other Data or by converting them using any procedure whatsoever. The parties hereby agree that the MERN remains the sole holder of copyright over the Data in their original and altered forms.

4. The Data may be used solely by the Licensee. The Licensee is not authorized to sell, loan, give, trade or copy the Data in order to transmit them to a third party, unless the third party is acting on behalf of the Licensee as part of a specific mandate. In such a case the Licensee is responsible for ensuring that the party acting on its behalf uses the Data only for the purposes of the mandate. At the end of the mandate, the said party must return the Data to the Licensee or destroy all copies of the Data in its possession and certify in writing that the Data have been destroyed.

 - The Licensee must mention the *Gouvernement du Québec*'s copyright on every copy of all or part of the original version of the Data. This shall be done by including the following note: "© Gouvernement du Québec".

7. The foregoing is a limited warranty and constitutes the only warranty granted by the MERN under the terms of this licence.
 - The MERN cannot guarantee the accuracy of the Data and shall not be held liable for any conclusions drawn following the use of the Data. Other than in the case of intentional fault or gross negligence, the MERN shall not be liable for any damage suffered by the Licensee or its employees, agents, representatives or subcontracts following the use of the data.
8. For the purposes of this licence, the MERN reserves the right to carry out an investigation to check whether the Licensee has complied with the conditions for the use of the Data covered by this licence. The Licensee shall comply with every request made or measure imposed upon it by the MERN if the MERN observes that the Licensee has failed to comply with the conditions of use.
9. This licence is governed by the law applicable in Québec. In the case of a dispute, the courts of Québec, District of Québec City, shall have sole jurisdiction.
10. The MERN reserves the right to terminate this licence:
 - if the Licensee, its managers or its employees contravene one of the provisions thereof;
 - if the Licensee ceases or temporarily suspends its operations, transfers or liquidates its property, files for bankruptcy or becomes insolvent.

If the licence is terminated, the Licensee must cease to use the Data and either return them to the MERN or destroy them and certify in writing that they have been destroyed.

This licence is granted with no limit as to time and shall come into force on the day on which the Data are first used.
